## SUMP Learning Programme

- 180 tools
- more than 200 mobility practitioners
- 60 learning activities
- 100 planning authorities

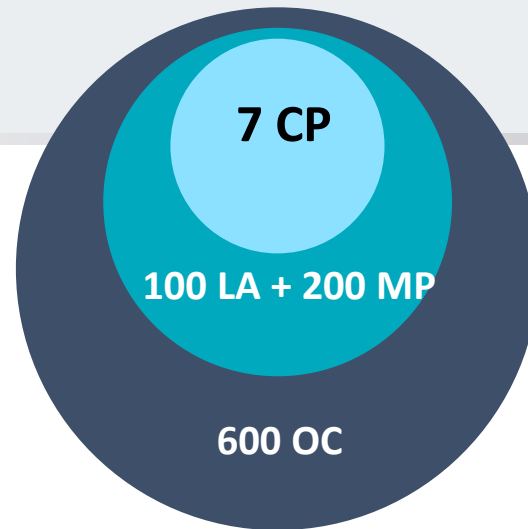

The screenshot shows the CIVITAS Urban Mobility Tool Inventory website. The header includes navigation links: CIVITAS, Mobility solutions, Communities, Projects, News, Events, Resources, and About. The main content area features a welcome message and a video player with the text "Combining the tools will quickly narrow down more than 100 tools to a useful selection". Below the video, there is a search bar and a list of results. The first result is "BRT Planning Guide" by GIRA, dated NOV 2017. The second result is "3D visualization for communication of data" by mapbox, dated JUN 2017. The third result is "ADVANCE Audit Scheme" by ADVANCE, dated JUL 2013. The right sidebar includes a "How to add content" section with an "Add a Tool" button, a "Sort by" section with a "Title" dropdown, and a "Thematic Area" section with a "Car-independent lifestyles" dropdown.
